BALLOT ISSUES ARE BRIEFED FOR RESIDENTS

(Editor's Note—This is the last of eight articles explaining propositions appearing on the November 4 election ballot).

Proposition 10 would stop state appropriations to chambers of commerce, the County Supervisors Association, ,'or any other private organization which attempts to influence legislation."

It directs the state attorney general to recover all money paid to the organizations.

Proponents label the state assistance to chambers of commerce and like organizations as "one of the biggest steals put over on an unsuspecting public".

They say about $3,000,000 is turned over to chambers by boards of supervisors and city councils each year and that some of the organizations lobby against labor, veterans, the aged and blind, public employees, schools and taxpayers.

Opponents assert Proposition 10 is a "retaliatory measure". They say is was conceived by pension promoter George H. McLain as a "political blackjack to punish civic groups and organizations that have had the courage to stand up against him and his political clique".

Chambers of commerce, continue those against Proposition 10, have been "tremendously successful" in bringing new industry, jobs and payrolls to California communities. If state assistance were cut off, they warn, this program would be seriously hampered.

Extension of property tax exemption to schools of less than collegiate grades operated by nonprofit religious, hospital or charitable organizations is proposed by Proposition 3.

The Legislature last year voted 108 to 3 to grant the exemption. Petitions were filed by opponents to have the measure voted upon in November's election.

Supporters argue that California is the only state in the Union that taxes schools of this character.

They assert non-tax-supported schools save the public schools system and taxpayers $41,000,000 each year and that the exemption asked would total only $700,000 each year.

Opponents reply Proposition 3 would add "more million of dollars" to private property exemption. They add there is no limit to this proposed exemption as there is to exemptions granted universities and colleges.

The State Constitution declares that no person holding a paid office with the federal government is elegible for any paid office with the state.

The state legislative counsel reports the wording of the Constitution makes it uncertain whether it permits a paid state officer to be a member of the military reserve on a pay status.

Proposition 12 provides that a person may be a state employe and receive pay as a military reservist. The measure passed both houses of the Legislature without a dissenting vote, and no opposition to it appears in the report prepared by the secretary of state on the pros and cons of propositions.

BPWC Favors Prop. 2

Leroy Jenner's home on E. Casey Road was the scene of a Halloween Party for Campbell Business and Professional Women's Club where they gathered in costume last week.

Prizes were presented to Thelma Nelson and Ona Chubb for the best disguises. Hostesses were Dorothy Jenner and Mae Brand.

After the party, president Thelma Solari presided over a short business meeting. Legislative chairman, Diana Payne gave a discussion of Proposition No. 2 which would increase state support to schools. The club voted to take a stand in favor of Proposition No. 2.

The group voted to support Mrs. Ona Chubb, BPWC member, as a qualified candidate for director of the hospital district.

Executive board will meet Wednesday Nov. 5th at the Solari home on Carlyn Ave.

SERVICE FUND DRIVE LAGGING, RESULTS FROM FOUR AREAS SHOW

Community Service Fund drive chairman, Ed Tablak, reported $6,700 received in the current fund-raising campaign. Four out of twelve areas have completed solicitation of homes, he said, but prospects for reaching $18,500 goal seem doubtful.

Tablak said there will be two alternatives if insufficient support is received. (1) They can campaign individually for additional funds or (2) they can curtail their services in proportion to money received.

"In the face of rapidly increasing needs and demands of our growing area it seems unthinkable that service should be curtailed" he said. "Whose community will suffer if this happens? Whose boys and girls will be longing for opportunities they cannot have under a curtailed program? A family cannot be reared in isolation today Children less fortunate in opportunities for character training than your own may suffer great damage because of lack of youth programs. Their influence may be felt by your child. Whose taxes pay the bills of delinquency? Prevention is cheaper than punishment and correction."

"When asked to give that extra dollar, give it with gratitude in your heart that you have the opportunity for local contribution and control.

"Give an extra dollar where you live."

Adamson to Speak At Annual Flower Show Nov. 8-9

Hans C. Adamson, retired Air force Colonel, will be the featured speaker at the annual Flower Show sponsored by Campbell Garden Club November 8 and 9 in the Campbell Union High School music room.

Garden Club will hold a special meeting Wednesday November 5, at 2 p. m. at Countrywomen's Clubhouse to make final plans for the flower show.

Mrs. Lloyd W. Brown and Mrs. Julius Langlo are co-chairmen of the event.

LOCAL GRANGE SLATES SPEAKER FOR NEXT MEET

Next meeting of Orchard City Grange Nov. 11 will feature Col. H. C. Adamson's talk on the proposed West Valley Hospital, bond election for which will be held Nov. 18. At the last meeting Tuesday at IOOF Hall the following announcements were made.

Nov. 1 at Gilroy; Boostre Night at San Jose Grange Nov. 3; Election of officers December 9; Home Economics to meet at home of Mrs. Shadle Nov. 14; Scandinavian dinner at Cupertino Grange Nov. 14; Project for local Grange in Community Service contest to be in hands of State Master by Sept. 1, 1953.

Potluck supper committee at last meeting included: Mrs. Elena Robinson, Mrs. Anna Krug, Mrs. R. Morrell Sr. and R. Morrell Jr.

Folk dancing to the recorded music of Mervyn Keesling concluded the evening.

TO PARTICIPATE IN VOTE CAMPAIGN

Campbell scouts and cub scouts will participate in the extensive get-out-the vote campaign by distributing placards November 1. Three hundred sixty cubs and 262 Scouts in the Campbell area under the leadership of Charles Mitchell, District Commissioner will canvass the Campbell area with the placards to urge voters to participate in the election. Allan Gerblik of the Scout office will have direct charge of the distribution.

McCOY SALES MOVING TO SAN JOSE

McCoy Auto Sales, 25 Winchester Road, due to expanding facilities is moving its location to 1899 W. San Carlos St., San Jose on November 1.

Jessie Shelley, Youth Leader, Leaves Gifts of Achievement

Campbell lost one of its ablest and most creative leaders, when Mrs. Jessie A. Shelley succumbed after a heart attack in Pacific Grove October 18th. Mrs. Shelley leaves to Campbell and to countless beneficiaries in many places the gifts of her tireless, selfless accomplishment.

Born a Kansan in 1881, Mrs. Shelley moved to Oklahoma during her girlhood. She was graduated from Alva Teachers' College, then a Territorial Normal School, in 1902. For fifty years thereafter she kept in touch with the members of her graduating class, though the number, originally 16, dwindled as the years passed.

After graduation she came to California to live with an aunt near North Fork, in the Sierras. There she taught school for a time, and there she met Louis Shelley, who was employed by the San Joaquin Light and Power Company. The Shelleys were married in North Fork, and their sons, Perry, Harold and Richard, were born in the mountain community.

In 1910 they came to Campbell and purchased four acres on the San Jose-Los Gatos Road, where they built their home. At that time it was not easy to establish a poultry ranch, but the Shelleys were determined and hard working. Mr. Shelley took an extension course in poultry raising from the University of California, and both partners added effort to education. Theirs was one of the first successful poultry ranches in this area.

Mr. and Mrs. Shelley were active in Grange work, and Mr. Shelley, having gone through the chairs, became Master of the Orchard City Grange during the '30's. Under his leadership this Grange won the state championship. Mrs. Shelley was later honored by the Grange, which gave her a life membership. Mr. Shelley died in 1938.

Jessie A. Shelley was a member of the Cambrian School Board served a term as president of the Cambrian PTA. Some years afterward she was president of the Campbell Union High School PTA from 1916 until 1922, and she also was president of Home and School Club of Cambrian School.

For 13 years Mrs. Shelley was clerk of the High School Board, and she was one of the group chiefly responsible for the building of the modern high school completed in 1941. She was a member of Campbell Country Woman's Club.

Mrs. Shelley has been called Mother of Camp Fire Girls in this area, because she pioneered in the organization here, from 1920 until 1931, and was its first paid executive. The greatest share of credit is due her for the establishment of Camp Wastaki, at Big Basin, a camp which continues to flourish, and which was, in its formative years, unique. With facilities and leaders for 100 girls at a camp session, Wastahi was most unusual, and it still has an outstanding reputation in the state. Mrs. Shelley, by her enterprise, secured the donation of funds from the late Senator Phelan and from a service club for the building of a large swimming pool at Camp

EDITORIAL

Dwight D. Eisenhower is emminently qualified for the presidency of the United States.

HE IS A LEADER. He is accustomed to making decisions that affect world history. A unique administrator, he can mold men of widely diversified talent and opinion into a smoothly working team. He has dignity and wisdom. Experienced in directing vast organizations, he posesses the personal characteristics that inspire success. He is humble. He knows how to pick men, take advice, weigh evidence, reach intelligent conclusions. He is experienced He will not be overawed in the company of world leaders, nor overcome by the pressure of world politics

HE IS A LIBERAL. He is pledged to support the cause of freedom throughout the world. He is pledged to support the fight against Communism in Western Europe and in Korea, and to attack the roots of Communism whenever it appears.

HE IS A REPUBLICAN. Believing that soverignty resides in the people Eisenhower knows the foundation for the security of the American people rests in an industrial system free to do its job in its own responsible way. He has seen the American industrial system rise to unparalleled production under free enterprise and is concerned for that production, lest it be stifled under increasing government regimentation and control.

It will take a free man--Dwight D. Eisenhower--to sever the roots of corruption, crony-ism, advancing socialism and infiltration of Communism in high places.

Eisenhower will prune these fruits of a ruling class too long in power and will restore the government to a sound economic basis.

The Press also endorses Charles Gubser, and Bruce Allen as Republicans who will successfully prosecute at different levels the policies for which General Eisenhower stands.

GUBSER FOR CONGRESS

Gubser, 36 year old Gilroy farmer combines youth and vigor with maturity and insight in line with General Eisenhower's request for younger men to serve in the government.

As Assemblyman from Santa Clara county he has gained actual experience as a legislator. He has worked in his district as a businessman, teacher, and principally as a farmer.

He worked his way through San Jose State College and the University of California with post graduate work in economics and political science.

He will help to bring sound government back to Washington and the people.

SMITH FOR SUPERVISOR

It is the considered opinion of the Campbell Press that the best interests of Campbell area residents of the Fifth District will be most ably served by electing Albert B. Smith, supervisor, in the general election, November fourth.

Smith, 31, though young, enjoys a spotless reputation. He has proven integrity and ability in his management of Campbell High School's agricultural Department and of his home orchard with his father, on their Vasona Junction ranch.

He has repeatedly stressed, and we are convinced of his sincerity, that he has no "outside connections" or interests, and that he will devote full time necessary to provide impartial, equal representation for all areas of the Fifth district.

As a life-long resident of the Fifth district, Smith has watched with close interest its growth and development and is familiar with the problems that have arisen.

CRAWFORD FOR JUDGE

For judge of the Justice Court of the Campbell, Los Gatos, and Saratoga Judicial District, the Campbell Press endorses Paul W. Crawford, present justice of the Saratoga Township.

The Press bases its endorsement of Crawford for Judge of the Justice Court on (1) proven ability (2) his experience and (3) his education.

Crawford has practiced law for 30 years, has had experience as County Attorney, District attorney and is an attorney and Counsellor of the Supreme Court of the United States. He is a graduate of the Law School of the University of Colorado.

A World War I veteran, and pioneer member of the American Legion, Crawford understands the problems facing our nation and community. He has been a member of the bar of the United States Supreme Court for 28 years.

From our own observation we conocur in the opinion of John R. Clark, justice of the Colorado Supreme Court, and with Campbell Attorney Martin S. Walsh, that Paul W. Crawford as Judge of the Justice Court will conduct his future duties as he has in the past, in a highly ethical, capable and reliable manner.

BUCS TO FACE SANTA CLARA

Campbell High's Bucaneers, smarting from a 24-7 defeat by James Lick last week, and 20-7 drubbing from San Jose the week before, face another rough opponent in Santa Clara tomorrow night at 8.

The S. C. Panthers are unscored upon to date and are the only Valley Athletic League contenders to win two games. They have toppled league leader Washington High 19-0, have shut out Poly Tech J. V's, played a 0-0 tie with Mountain View and have lost to Santa Cruz.

Campbell coach Jim Muir said prospects for a good game are better now that aerialist Larry Sutton, takes his arm out of the cast today and Tony Musladin's chipped ankle bone is recovered enough for him to see action.

Muir said he also expects Tony Schraub, who has been steadily improving, to see heavy duty at end.

Local Rotary Urged To Support County Charter Amendments

Approval of the appointive sheriff (Alternative B) and of the two other County Charter measures on Tuesday's ballot were urged before the Campbell Rotary Club luncheon Monday by Norman Stoner, Citizens Charter Committee chairman.

Stoner reported that his committee has unanimously endorsed the other two charter propositions also. County Proposition No. 2 permits doctors who voluntarily serve the county without pay to serve on county boards and commissions,, and No. 3 gives the County Executive final decision in appeals from personnel board actions.

Sojourners To Meet

Lowell Pratt and Floyd Farr, directors on staff or San Jose State College will be speakers at Association of Sojourners of Charity Lodge, F&AM at their Sunday meeting November 2 at 8:30 a.m. at IOOF Hall.

COUNCIL DENIES GRAVEL PERMITS; POULTRY ORDINANCE IS ADOPTED

Permits to remove gravel from Los Gatos creek bed were denied at City Council meeting Monday night

Application of A. J. Raisch Paving Company, San Jose, excavator for Mervyn S. Keesling Ranch and Ainsley Corporation was denied on the basis of reports from City Attorney Jospeh A. Bonacina, City Engineer Mark W. Thomas, and from Planning Consultant Nestor Barrett.

Barrett advised against removal in view of future planning.

Bonacina said injured property owners could look to the city as well as the operator for damages.

Engineers said gravel operations, to safeguard property would have to be systematic and complete between Campbell and Hamilton Ave. bridges. Raisch reportedly had not secured rights to dig on the whole area.

In addition a 56-name petition opposing gravel removal was submitted.

Council also went on record as favoring mosquito abatement activities if carried on by Health Officer rather than by a proposed mosquito abatement district.

Poultry and animal ordinance was adopted Monday after feed rack revisions requested by Rincon Ave. poultry ranchers, Mr. and Mrs. J. W. Knowles.

A 250-man working organization is being formed to solicit the 700-family parish under the leadership of the committee members named. Opening meeting for general solicitation is expected in December. An extensive program of preparation will call for enlistment work on the part of committee members almost daily.

Vincent G. Raney of San Francisco is the architect. The Building contractor is still to be named.

LEGION AND LADIES HEAR CAPT. JORDAN

Approximately 100 diners heard Captain Bill Jordan, Korean Heartbreak Ridge veteran who stressed the need for additional supplies in Korea, in his talk to American Legion and Auxiliary Post 596, October 22.

Jordan said that had Gen Douglas MacArthur's recommendations been followed, war in Korea would now be over.

Distinguished guests at the meeting included 13th District Auxiliary president, Mrs. Lloyd Crosby; Mr. and Mrs. Clay Sheets; Mr. and Mrs. Pierre Casaurang; Mr. and Mrs. J. V. Sikes; Mr. Frank Knox, present 13th District Commander; and Mr. and Mrs. Syd Brennan, past commander of 13th District and Legion member of State Committee on Un-American Activities.

Founding Party To Be Held By O. E. S.

Campbell Chapter 553 Order of Eastern Star met in the I.O.O.F. Hall in Campbell, October 17th to celebrate the Eighth birthday of the Founding.

Following the 1952 officers the original 1945 officers marched in and filled the stations beside the present officers. The Mother Matron, Lillian Agostinho was escorted to the East with a beautiful star floral piece made for her with a large silver numeral "one" in the center of the arrangement.

Honored guests were: Leta Jackson, 1944 Deputy, who helped assist in the forming of the Chapter, was called on and gave a very nice talk on the growth of the Chapter. Janet Eberhart the first Deputy to serve the Chapter in 1945, gave a very nice talk and congratulated the Chapter growth and friendliness.

The Worthy Matron, Evelyn Buck and her Star points and Chaplain, put on a very impressive agenda, titled, "Planting the Labyrinth", using fresh flowers for the degrees.

The 1945 officers led the march to the banquet room and were seated at the Honored oficers table. The birthday theme of figure "eights" standing in eight inch glittered letters and individual cakes with candles were at each guest place. Flowers and Eastern Star decorated napkins complimented the entire theme.

Vote for WALTER S. GASPAR for Supervisor 5th District

To Voters in the 5th Supervisorial District:

We are taking the liberty of writing you on behalf of your and our good friend, WALTER S. GASPAR, who is a candidate in the general election on November 4 of this year, for SUPERVISOR to represent the 5th Supervisorial District. As you know, the supervisor from our district has a great deal to do with the improvements and benefits that we receive through the county and it behooves us to make sure that the best man is elected.

WALTER GASPAR spent thirty two years in the U.S. Marine Corps and retired as a Lieut. Colonel in November, 1945. During many of these years he had a great deal of administrative experience and during the late war he commanded the Marines at Moffett Field. In February, 1946 he was appointed by the Board of Supervisors as Sheriff of the counnty to take the place of the former sheriff for the balance of the term which ended January 6, 1947. He was elected to the city council of Palo Alto in July, 1947 and has served up to the present time in that capacity, serving as Mayor of Palo Alto from July 1, 1948 to July 1, 1951.

His record in all of his work has been an enviable one. He has shown extremely good judgment in legislative matters with the City of Palo Alto and in our opinion will make an excellent supervisor and the kind we really need in this district.

More About ....
Jessie Shelley

Wastahi. Her interest in Camp Fire work continued as long as she lived.

When the United States entered World War II in 1942, Mrs. Shelley joined the Red Cross Arts and Skills Corps, devoted to occupational therapy for disabled veterans. The work of the corps was at frst carried on at Camp Shoemaker and later at Palo Alto Veterans' Hospital, as well as in other hospitals where veterans needed this help. Mrs. Shelley taught weaving and leather work to patients. For eight years she went to a hospital once a week, without fail, and gave of her skill and kindness to men who had also given of themselves. She could not be dissuaded from entering the "locked wards", where she could bring the healing of her work to mental patients. Her influence on these men and the practical assistance she gave them is beyond estimate.

A member of the Mission Weavers, Jessie Shelley wove many beautiful fabrics. For years her handiwork won prizes at the county fairs and she often worked at a loom at the fairs to demonstrate the art. At the 1952 fair her weaving won one first prize and two second prizes.

Wood carving was another of Mrs. Shelley's skills. She studied under Charles Marshall Sayer, noted wood carver of Walnut Creek, who was formerly in Carmel.

Her many interests included music, which she shared with her family, and the raising of flowers, a hobby she enjoyed with her son, Richard. She was famous in Campbell for her beautiful pelargoniums and chrysanthemums.

The beauty and goodness Jessie A. Shelley added to many lives in many ways are both widespread and lasting. An intensely practical person, she worked to build solidly for the youth of the community, and to give practical assistance wherever she saw its need. And with each of her countless ponderable gifts went the intangible gift of herself.

A close friend has added to the story of Jessie A. Shelley's life, "She had good words and only good words, for everybody."

Surviving her are her three sons, Perry Shelley of Oklahoma City, Harold Shelley of San Jose and Richard Shelley of Campbell. She also leaves 2 sisters, 3 brothers, and two grandchildren.

Services were held October 21st in Williams Funeral Chapel. Pallbearers were Orchard City Grange members, Gilbert Newcomb, Robert Scholz, Ed Weisendanger, Stanley B. Smith, A. A. Butts, Herbert M. Shadle.

Scout Party Nets $105

Whist party conducted by Senior Girl Scouts, Moreland District, Saturday night, October 11, at Moreland School, Payne and Saratoga Aves.. netted $105.00 according to a spokesman.

Money will be used to help defray expenses of the troop at a two day Girl Scout Council at Asilomar, October 17 and 18.

Elect CHARLES S. GUBSER

YOUTH AND VIGOR *PLUS* EXPERIENCE, INTEGRITY...

He earns confidence — In his terms of Assemblyman, Charlie Gubser has earned a name as a top legislator at Sacramento. He combines keen knowledge of his district and state with the ability **to get things done.** He has helped Governor Warren's scandal-free administration give forward looking, enlightened government to California. Like his friends, Senators Bill Knowland and Richard Nixon, he has earned advancement by his vigor, ability and integrity.

He wants to serve — Charlie Gubser is glad of the added opportunity to begin congressional service with a new administration in Washington. He wants to join the new brooms that will be able, with teamwork, to sweep out the accumulation of waste, duplication, cross-purposes, and downright crookedness. In the photo above, he and Mrs. Gubser are introduced to General Eisenhower by his running mate, Richard Nixon.

That's CHARLIE GUBSER

Thirty-six-year-old third generation Gilroy farmer: Youth and vigor, when combined with maturity and insight, are valuable qualities to note when you choose your new Congressman. You want him vigorous enough by the time he attains congressional seniority to do an increasingly better job for the District, the State, the Nation.

CHARLIE GUBSER is the Candidate with actual legislative experience!

As Assemblyman from southern Santa Clara County, he has gained actual experience as a legislator. Because of that experience in the California Assembly which is organized like Congress, Gubser would immediately find his way in Congress and be effective. He will quickly relate legislation to his district's needs, steer bills through legislative channels, resist pressure of lobby groups — armed with the experience and judgment that can only come by doing it.

CHARLIE GUBSER is informed, frank and foursquare!

He knows his district and its needs, having worked here as a businessman, teacher, and primarily a farmer. He worked his way through San Jose State College and the University of California, with postgraduate work in economics and political science. You know where he stands, because he has never ducked a question in all the hundreds of campaign talks he has made. He wants to help bring sound, progressive government back to Wash... and to the people.

SMASH BOTH McLAIN SCHEMES

George H. McLain, the perennial pension promoter who finances his operations by ruthless appeals to pensioners for a "cut" each month from their pension payments—he even asks old people to send him their gold jewelry and keepsakes —is back on the ballot this year with TWO unsavory schemes.

McLAIN's PROPOSITION NO. 10 is a blackjack scheme. It seeks to penalize all the fine civic groups and organizations that have fought his unsound schemes in the past, by denying use of public funds for Chamber of Commerce and tourist promotion activities, 4-H Club youthbuilding work, Veterans' Rehabilitation programs, Labor Day observances sponsored by labor unions, school trustee organization work, and other useful, beneficial purposes. Proposition No. 10 is vicious and senseless.

McLAIN's PROPOSITION NO. 11 is a re-hash of the old McLain Pension Scheme adopted by a narrow margin in 1948 and overwhelmingly repealed the following year, after it had sent pension administration costs soaring to fantastic heights. Once again, Proposition No. 11 would transfer the responsibility for determining pension eligibility and disbursing pension funds from local governments to one State Bureau. It is a scheme to achieve vast political power by creating a political pension dictatorship.

'More For Peace' Film for Sunday

"More for Peace" was the title of a film to be show at the Campbell Congregational Church last Sunday evening at 7:30.

„More for Peace" was made in Hollywood and was written by Elizabeth Meehan, writer of the screenplay for "The Magnificent Obsession". The story is a dramatic but down-to-earth picture of a veteran of Korea, who feels disillusion on returning home, but finds a newer, deeper faith. The message of the film is inspiring and encouraging to all who want "more for peace".

In the cast are June Whitley, Peter Graves, Erwin Kalser, Norman Field, John Ridgeley and other capable actors.

Mr. and Mrs. J. B. Collins, son Jesse Jr. and daughter, Jeanette, sailed on the Lurline October 21, for Honolulu.

They will fly home on November fourth. Mr. and Mrs. Collins celebrated their golden wedding anniversary last month.

Irrigation made California wasteland productive.

The tin can made large-scale irrigation pay off... by creating a world-wide market for the greatly increased crops grown on newly-made-fertile acres. Today, California's canning industry packs and ships more than 3 million tons of fruits and vegetables a year.

And you share—along with everyone in California—in the huge income that is provided as the State's canned food goes to market.

We at American Can Company are proud of the part that we have had in helping California's canning industry grow.

As we continue to develop better containers, and more economical ways of making them, even more people will be able to earn a better living growing, producing, and packaging California products for the markets of the world.

Canned fruits and vegetables are always your best buy . . . and are today a greater value than ever.

According to the United States Bureau of Labor Statistics, the retail prices of canned fruits and vegetables are below the average prices of five years ago.

Country Women Hear Decorator

The atmosphere of the home is the most important point to consider in decorating, according to Stewart Sproul, noted interior decorator, who addressed the Country Woman's Club last Monday. And atmosphere, he continued, is achieved in large part by accessories which catch the attention and create effect rather than by main pieces. Color also plays an important part in creating atmosphere and should be keyed to the personalities and tastes of the occupants of the home. He added light, bright colors usually produce the happiest atmosphere.

Mr. Sproul was introduced by Mrs. J. B. Adrian Jr., program chairman of the club.

Clorinda di Lonardo, soprano, presented three well-received vocal selections accompanied by Lorraine Wood.

Following the program tea was served to members and their guests. Mesdames Vernon Suess and L. J. Benson poured.

It was announced that Dr. Bertha Mason will be guest speaker at the November 3rd meeting of the Country Woman's Club. Dr. Mason's topic will be 'The Art of Keeping Mentally Well".

Island Missionaries To Speak At Local Church

Rev. Herbert L. Johnson, pastor, Assembly of God Church, announced guest speaker Sunday at church and Sunday school services as Mr. and Mrs. Clyde Shields, and three children recently returned from missionary work in the Philipine Islands.

The Shields family will appear in native costume and tell of their work in the islands.

Sunday school enrollment got a boost last Saturday when pilot Ken McFarrin dropped 3,000 flying saucers over Campbell, part of a promotional scheme to up attendance at Sunday School in a contest sponsored by Christian Life Magazine. Contest closes November 15 after running for six weeks.

To Observe Religion Month

November will be "Religion in America" month at Congregational Churches throughout the land, and will emphasize Christian families going to church together. November will also be the month of church budget canvass. Statements of contributions to the fund will be received at each sermon on the first three Sundays in November, a spokesman announced. Church officials also point out that the more contributions received in church, the fewer house calls will have to be made. Letters containing fund information will be sent to parishioners during the week.

ALLEN for Assembly

He's Worth Your Confidence

Bruce F. Allen has a sound, four-square quality about him that strikes all who know and work with him. You know as soon as you meet him that here's a man who won't let you down.

All he's done in his 36 years adds up consistently to hard and devoted work for his country and his native Santa Clara Valley.

This valley is his home, as it was his father's and mother's. He's worked to make it better for his family and neighbors, and he's

When he finished his five-year war service in the Army advanced him from private to captain, it was tough for him to catch up with his interrupted law practice.

Every effort for community betterment that could count on him — whether it was government, water problems, traffic safety, welfare needs.

When the 29th District Assembly seat is open it's natural for many to turn to him again.

His platform is embraced by all who want sound, progressive government in California. I want to help keep

LOCAL EXPERIENCE DOES COUNT!

LYMAN L. FEATHERS, candidate for JUDGE of the Los Gatos, Campbell, Saratoga District Court, has made his home in this district for over thirty-five years, half of which he has spent in serving the people of THIS district, in all phases of law enforcement. He now asks a WELL DESERVED PROMOTION in the same type of work in which he has served so long. ASK ANY OLD-TIMER about his reputation, ask any peace officer in the county about his ability, his honesty and integrity. He knows, probably better than any other person, the needs and the problems of the people of this district, because he has spent seventeen years helping the people solve them.
